ASSOCIATION**

Hugo Hasselhuhn

As a teacher of children and teenagers, he knows how to grab their attention and keep them engaged and can find positive lessons in every day experiences

Barbara Andrews

Participants will examine ways to provide instructional equity, as well as ways to target the literacy and content-area needs of all students by using a variety of small-group instructional settings to support all learners.

Marion Jensen

Marion Jensen has worked in the field of education and training for nearly two decades. He's studied the craft of writing for nearly as long.
